Deeper – Spring 2010

Session 12

Be prepared to discuss the following in your small groups.

What has been the highlight of being in your small group over the past semester?

What is one thing someone in the group has said or done that's challenged you to know Jesus more deeply?

Read Joshua 4:2-7.

Explain how the future generations of Israelites were supposed to use the memorial stones?

Would you be impacted if you were able to see that memorial of stones today?

Does it encourage you to hear about God's faithfulness or goodness to others? Why or why not?

Why is it so easy to forget about all the good things God has done in our lives?

God's Goodness and Faithfulness

Make a list of ways you've experienced God's goodness and faithfulness. Write descriptive phrases to help you recall the events. These will be YOUR "stones" to pile in a memorial to God's provision and promises.

The ultimate purpose of the memorial stones was for future generations to know and remember what God had done. What could you use as a memorial stone to remind you of a significant work of God in your life?
