

# Deeper – Spring 2010

## Session 2

Be prepared to discuss the following in your small groups.

Rate your current interest in spiritual things on a scale from 1 to 10. 1 means that you couldn't care less about spiritual things all the way up to 10 meaning you can't get enough.

1      2      3      4      5      6      7      8      9      10

Describe your relationship with God.

What makes it tough to live out your faith?

Read Hebrews 10:23-25

What's the difference between hope and faith?

This passage says we ought to spur one another on. Where should you be spurring your friends to?

How might you spur on another believer in your life?

When you're with your friends, do they see that you have faith in God? Rate yourself on a scale from 1 (no one sees my faith ever) to 10 (others can almost see God walking everywhere with me). Why did you give yourself that rating?

1      2      3      4      5      6      7      8      9      10

What are some common barriers that keep people from becoming close friends?

Why is it that lots of people have many acquaintances but few deep friendships—or none?

How do your friendships influence your relationship with God? Do they help or hinder? Why?

How can a group of fun, committed friends be an evangelistic presence on a school campus? How might strong friendships be a testimony to those who don't know God?

Disneyland offers entertainment. The church offers relationships. Which do you think is more attractive to an unbelieving teenager? Why?
