

## Session 5

Be prepared to discuss the following in your small groups.

Finish this sentence: “When my peers look at my life, I want them to see a person who is...”

Describe what you think most non-Christians believe about the Christians at your school.

What do you think is one of your spiritual gifts? Why do you think so?

---

Read Matthew 25:14-16.

Although Christians are the light of the world and lights can't be hidden, why do Christians struggle to have spiritual conversations with non-Christians?

If you had just a few minutes to share the essential ideas about what it means to be a Christian, what would you say?

God doesn't intend for you to be a light by yourself. How can your family or your small group be lights together?

What are ways a light-bearing Christian can show love on a daily basis?

What do you think an unbeliever who visits our youth group might see about our relationship with Christ? Are we a light to the world?

If an unbelieving friend asked, “Why are you a follower of Jesus?” what would you say?

If that same friend asked, “Why would God want a relationship with me?” what would you say?
